"It is my pleasure to wish you and your families a very Happy New Year from the Town of Pike Road! We hope this holiday will bring you new joy and a fresh perspective for each new day to come! As we leave 2020 behind, we want to offer our thanks once again for all you have done throughout this challenging year. We look forward to another great year with you in our special hometown! We are so thankful for the extra effort you have made to show your care for one another by supporting neighbors, front-line workers, and local businesses safely and thoughtfully. We invite you to continue to show your support for our neighbors in need by participating in the Jan. 8, 2021 Community Blood Drive, held at Town Hall in recognition of Law Enforcement Appreciation Day. As we enter the New Year, please continue to make smart, intentional decisions that help keep us all safe and healthy. COVID-19 is an ongoing challenge, and we must remain committed to the principles of social distancing, cleanliness & sanitation, and avoiding the risks of crowds and gatherings. It is also important to keep a mask handy to wear whenever you are around those who are not part of your household. Wearing a face covering or mask is an easy way to help protect both yourself and others. The current Safer at Home order and statewide mask requirement continue through Jan. 22.

The Town of Pike Road team will return to our offices on January 4, 2021, but municipal facilities will remain closed to public visitors. We want to emphasize that we continue to

be ready and available to serve you, and our team is accessible via phone and email. [You can also find a variety of municipal resources on our website, www.pikeroad.us.](http://www.pikeroad.us) We look forward to serving you!

As always, we will continue to pray for you, and we encourage you to pray for each other. Thank you for all you do: Together, we will come through this.

Thank you and God Bless."

COVID-19 has brought many changes and challenges to communities across the nation, including ours. Throughout this time, our local law enforcement and emergency responders have remained committed to the safety and security of our community, often putting themselves at risk of illness or injury.

In partnership with [LifeSouth Community Blood Centers](#), we are thankful for the opportunity to show our appreciation for our local law enforcement and help meet the need for blood donations with a mobile blood drive at Town Hall on January 8, 2021.

Donations can be made from 8 a.m. - 5 p.m. by appointment - [click here](#) or [call 334.260.0803 to register now](tel:3342600803) and help provide a safe, adequate blood supply for patients in need. Walk-ins are also welcome!

We want to emphasize that it is SAFE to give blood during the COVID-19 outbreak. COVID-19 is not a bloodborne disease, and the LifeSouth team has precautions in place to ensure the safety of both donors and employees.
